Bonjour Parents!

It's crazy to think that we are already heading into the month of December and with this recent dump of snow, it's definitely starting to look a lot like Christmas! Although I guess we all can't complain as we had such a wonderful mild month of November. We had a great time last week going on our field trip to the park. In the morning we noticed that there was some light snow on the ground and we were even able to make a little snowman with what little snow we could find. The kids did wonderfully by working as a team by each making their snowballs and then contributing their snowballs to make the little snowman together! Unfortunately by the afternoon class, the snow had all melted in the sun but we had an amazing time touching all the textures and especially rolling and running down the little hill.

This month we have some great things planned for the class! Our theme is of course on the holidays and holiday traditions. I do realize that not all our families celebrate Christmas so if your family celebrates something different, please let me or Mme Olga know that way we could incorporate those celebrations as well. Also if you celebrate something other than Christmas or have a special holiday tradition you would like to share and present to the class we would love to hear about it and have a few special presentations in the class this month as well. Please let me know as soon as possible if you are interested in presenting something in the class.

Next Friday, December 5th, we will talk about what we want for the holidays and make wish list cards for Santa Claus or for our families. I will need everyone to collect and bring in as many flyers and/or magazines as you can by then with toys and different things your children and others would like for the holidays as we will be cutting them out and using the pictures to help us make our wish lists. We are also looking for someone to play Santa for our holiday concert and potluck which will be held Wednesday, December 17th. Please read on for more information on that special day below. Thank you! 😊

Special events happening this month (highlighted in red in the calendar):

December 16th: Toy wash day from 6:30pm-8:30pm

- Thank you to all our families for helping out with our toy wash or who have signed up at least once. If you have not yet signed up for a toy wash day please sign up using the following link as we are in need of some volunteers in the new year. If you have already signed up once to do a toy wash day but would like to help out again please feel free to sign up as well. Thank you so much for your help!

December 17th: Holiday concert and potluck

- Mme Olga and I would like to invite all the families to come celebrate the holidays with us and your children for the last hour of the class. We will showcase some of the songs that we have been learning in class and we invite everyone to bring a potluck item to share. Your potluck item can be a traditional holiday dish, dessert or just something you would like to share. A sign up sheet will be posted next week on the bulletin board outside of class to ensure there is a variety of potluck items.
- AM class parents are invited from 10:30am to 11:30am and 2:30pm to 3:30pm for our afternoon class.
- We are also looking for a volunteer to play Santa Claus for our morning and afternoon classes to see the kids and hand out some candy canes. If you are interested please let me, Mme Julie, know as soon as possible. Thank you!

December 24th to January 2nd: Winter Break, happy holidays to everyone! ❄️🧑‍🎄🎉(no school)

January 5th: Classes resume
