Happy New Year 2026!

I would like to take a moment to wish all of you a marvellous year filled with health and happiness.

The arrival of winter provides us with an opportunity to speak once again of seasons, winter sports and our famous Carnaval de Québec. The celebration of the winter festival or carnival in the francophone culture gives us the chance to go outside and have fun with the snow. Painting snow, making snowman (if we have good snow), an obstacle course, and more, and a special snack outside (hot chocolate) will be on the program Monday January 15th.

In the third and fourth weeks of January we will talk about dinosaurs, and I am sure children will love it.

Important dates for this month:

<i>January 6th</i>	<i>Welcome back</i>

<i>January 13th:</i>	<i>White Day</i>
<i>January 15th</i>	<i>Québec Carnaval – going outside</i>
