Bonjour les parents! Hello parents!

We have definitely gotten back into the swing of things this January! This month we have been busy getting to know the names of the letters by singing the alphabet song in French and by learning the names of the days of the week in French while singing the song “Lundi matin, le roi, la reine et le petit prince”. We also had so much fun having an indoor “snowball” fight, practicing “skating” on wooden blocks in the gym and learning about all the winter sports and animals. We have also been busy making our group collage which has sparked the creativity in all the children. Unfortunately, our scheduled sledding activity had to be postponed due to the unusually warm weather and lack of snow, but hopefully we can find a different time to try out this fun activity in the future? At least, we were able to still have fun on our nature walk and have the opportunity to play in a big outdoor space where we could run around and that we got to play in a different playground.

In the month of February, we will explore the topics of Valentine’s Day, Chinese New Year and dinosaurs. Thank you to Natasha, Emilia’s mom who will come on February 9th to talk to us about Chinese New Year. At the end of this month we will also be having our parent/teacher interviews so please watch out for those announcements closer to the end of the month.

Also we want to thank everyone for all your bottle donations. We were able to raise **\$383.80** for our bottle drive. Yeah us! Registration is now open for the public so if you know of anyone who would like to join our preschool next year please refer us and you can get 50\$ off of your tuition fees. Also if ever you need to contact me, Mme Julie, please use the email MmeJulie.lacoccinelle@gmail.com instead of the teacher email as that will go to Mme Claudette’s email. You are also welcome to call or text me or Mme Olga at (403) 815-4063 on the Coccinelle site phone.

Thank you! Mme Julie ❤️
