

Dear Parents,

March is going to be a busy one with great activities. Starting with space and planets pretending to be an astronaut and travelling in the galaxy far far away, who knows we may encounter an alien or two.

We will also talk about transportation, plane, train and automobile. For the kiddos who never ride the C-Train we will go for a couple of station just for fun.

Dates to remember:

March 3rd: Montrer-Parler (Show'n tell)

March 12th: Black Day and bring a flashlight

March 24th: Ride the C-Train

March 26th: School closed
